Section 4 Overview

In Section 4, you will look at a case study involving data from the [Gapminder Foundation](#) about trends in world health and economics.

After completing Section 4, you will:

- understand how Hans Rosling and the Gapminder Foundation use effective data visualization to convey data-based trends.
- be able to apply the **ggplot2** techniques from the previous section to answer questions using data.
- understand how fixed scales across plots can ease comparisons.
- be able to modify graphs to improve data visualization.

There is 1 assignment that uses the DataCamp platform for you to practice your coding skills.

We encourage you to use R to interactively test out your answers and further your learning.
